

(This email is being sent on behalf of Shireen Banerji, PharmD, DABAT, FAACT and Chris Hoyte, MD, MBA, FAACT, FACMT from the Rocky Mountain Poison Center)

Are you an RN SPI or CSPI looking to re-locating to Denver for a **full-time** opportunity? Then we'd love to talk to you about joining our dynamic team at RMPDS! Please view attached flyer. Our talented SPI team of 21 includes nurses and pharmacists; 81% are CSPIs. We also utilize Poison Information Providers (PIPs). We have a robust medical toxicology fellowship and currently have 5 fellows that support the poison center. We have a couple open SPI/CSPI positions and are hoping to start a training cohort in March of this year. For any questions regarding this position, please contact including salary and benefit information, contact Jim Booth at 303.389.1316 or Jim.Booth@rmpds.org. If interested, please apply at <https://www.denverhealth.org/for-professionals/careers>, Job ID # 12517.

You may also reach out to the Managing Director, Shireen.Banerji@rmpds.org with any questions about the position. Interested candidates are encouraged to apply as soon as possible!

Thank you,

Shireen Banerji, PharmD, DABAT, FAACT
Managing Director
Rocky Mountain Poison Center
Denver, CO
