

Come be a part of an awesome team of nurses and pharmacists serving the Great State of Iowa!

- In Sioux City, Iowa, the IPCC is nestled along the banks of the Missouri River, where Iowa, South Dakota, and Nebraska converge.
- The staff of the IPCC enjoy spectacular views of the Missouri River, downtown Sioux City, and our neighboring states.
- Sioux City is home to several large companies including Palmer Candy Company (famous for the Twin Bing), Jolly Time Popcorn, and is only a short drive from “The Ice Cream Capital of the World,” LeMars, Iowa – the corporate headquarters and production line of Wells Blue Bunny.
- The IPCC boasts an enviable low turnover rate with the majority of our SPIs working in the PCC for decades. Of the CSPI-eligible staff, 100% are certified.

We have positions open for nurses and pharmacists! Click [HERE](#) to learn more and apply today!

“Iowa? I could have sworn this was heaven.”
