

## **The Oregon Poison Center is looking for you!**

The Oregon Poison Center (OPC) has a SPI position open - RN or Pharmacist, nightshift, 0.75 FTE (5 12-hr nights in a 2-week pay period).

The OPC is the designated regional poison center serving Oregon, Alaska and Guam. Our center is located on the campus of Oregon Health & Science University (OHSU).

OHSU is Oregon's only academic medical center, and it includes the top-ranked adult and children's hospitals. OHSU has Schools of Medicine, Nursing, Dentistry and Pharmacy, as well as major research institutes. The OPC serves as a professional training site for various nursing, paramedic, pharmacy and medical students in our community. Our SPI staff includes RNs and Pharmacists, and we are expanding our staffing levels. We have 7 medical toxicologists on our team and host an active toxicology fellowship program. This is an exciting and challenging opportunity to impact the diverse communities in our service region.

We are seeking an experienced SPIS with a BSN or PharmD. As employees of OHSU, we have excellent benefits and competitive salaries.

Portland offers big-city excitement and small-town charm. Situated close to the Pacific Ocean, the spectacular Columbia Gorge and Mt. Hood, Portland offers a multitude of opportunities for an active lifestyle. We have a fabulous, eclectic food scene and world-class wines!
