

# WE ARE HIRING!

Position:

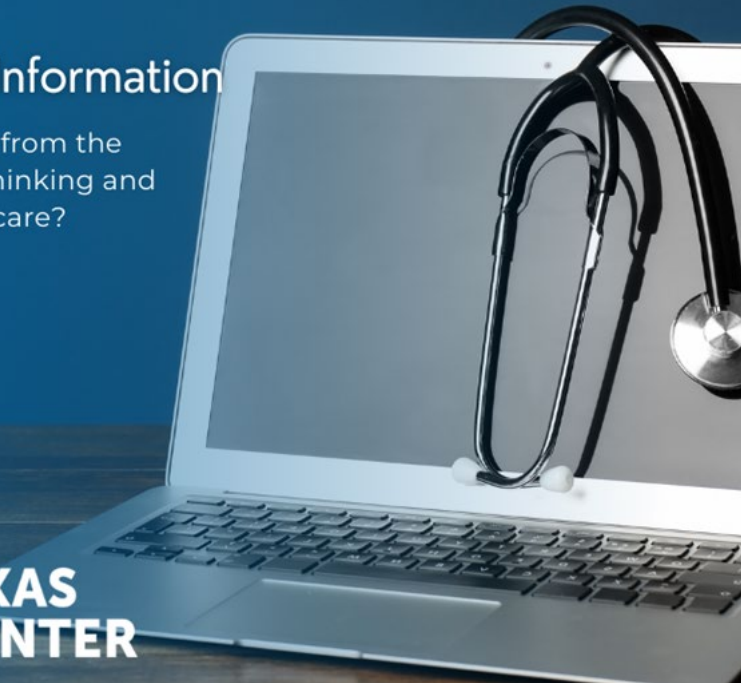

## Specialist in Poison Information

Are you ready to step away from the bedside and still use critical thinking and judgement for patient care?

**APPLY NOW!**

**NORTH TEXAS  
POISON CENTER**

The North Texas Poison Center in Dallas is looking to add to our team and hire a full-time night shift Specialist in Poison Information or Certified Specialist in Poison Information. Applicants must be either an RN, PharmD, MD, or foreign medical graduate. Applicant must be available to work weekends and holidays. The Poison Center is housed at Parkland Hospital. Specialists will receive state benefit package including retirement, health care, and paid time off.

Applicants can reach out to the operations manager, Kelly Hogue at [kelly.hogue@phhs.org](mailto:kelly.hogue@phhs.org) for more information.

Interested applicants should apply here: <https://ow.ly/zv9T50RPwre>

Looking forward to seeing your applications!
