

The Poison Control Center at The Children's Hospital of Philadelphia

Fun, energetic Poison Center seeking to fill a position for Certified Specialist in Poison Information (Pharmacist or Nurse).

The Poison Control Center at The Children's Hospital of Philadelphia is seeking both full and part time Specialists in Poison Information to join our staff here in Philadelphia, Pennsylvania. Applicants should be RN or PharmD. CSPI is preferred, but not necessary.

We offer a competitive salary and a great benefit package, and offer flexible training. Position includes weekends, evenings, and overnight shifts. We are an AAPCC accredited center with a dedicated staff who are 80% certified. Our staff and directors are active at the local, state and national level, and our center is a rotation site for pharmacy and medical students, and residents.

Our Poison Center is located in the Roberts Center for Pediatric Research, located on the Children's Hospital of Philadelphia (CHOP) campus within the University City neighborhood. We are very close to The University of Pennsylvania, Drexel University, and the University of The Sciences, and the Hospital of The University of Philadelphia.

Serving as the cultural and economic heart of the Delaware Valley, Philadelphia is filled with opportunities to experience diverse cultures first hand. Philadelphia's rich history means there's an abundance of historical monuments and sites to explore, from the Museum of The Revolution to the Liberty Bell, to Independence Hall and the Constitution Center- all are awe-inspiring historical landmarks offering a variety of programs and activities. We are also home to many museums; the fabulous Barnes Museum, The Philadelphia Museum of Art, the Franklin Institute, and many others. Philadelphia has a great restaurant scene, and loads of craft breweries and pop-up pubs, and a thriving local music scene.

Philadelphia is strategically located close to the both the Jersey Shore, the Pocono Mountains, as well as a short drive, or train trip to NYC, Washington DC, or Baltimore. Philadelphia is also home to one of the largest municipal parks in the nation, Fairmount Park, with "Towne Greens" in every part of the city and countless miles of trails along the Schuylkill River that cater to cyclists, runners, and hikers. Of course, Philadelphia is also well known as a great sports town, home to our 2018 Super Bowl winning Eagles, Phillies, 76ers, Flyers and Union teams.

Interested candidates can contact Michelle Swartz, RN, CSPI Operations Manager at swartzm@chop.edu.
