

CONNECTICUT POISON CONTROL CENTER

The Connecticut Poison Control Center is looking for a SPI!

The Connecticut Poison Control Center is seeking to fill a half-time position with a Specialist in Poison Information. Applicants should be RN, PharmD, PA, APRN, or MD, and eligible for licensing in CT.

Join a dynamic innovative team! **Dragon dictation system** available to all, even when working from home! The

Connecticut Poison Control Center is accredited by the AAPCC and has a dedicated staff that are active at the local, state, and national level. Currently, we are heavily involved in opioid epidemic surveillance for the state and SPIs are working with geographic systems, presenting their results at NACCT. The poison center is part of the Department of Emergency Medicine at UConn Health School of Medicine.

The Connecticut Poison Control Center is easily accessed using major highways, making commuting a breeze. Quality of life in CT is unsurpassed! Farmington/ Hartford are filled with cultural and economic opportunities and are close to Boston and New York City. Enjoy the New England seasons and easy access to beautiful beaches and the Appalachian Trail!
