

We are hiring in Tampa! Now is your chance to join the amazing team at Florida Poison Information Center Tampa! This is a unique opportunity as one of our specialists is retiring after 37 years. Take your professional career to the next level and learn about our unique flora and fauna while enjoying the diverse ambience of the beautiful Tampa Bay area.

The Florida Poison Information Center Tampa, founded in 1982, is an accredited regional poison center affiliated with Tampa General Hospital. We are a teaching hospital for the USF Morsani College of Medicine. Tampa General Hospital is ranked as one of the Best Hospitals of 2018-2019 by U.S. News and World Report, ranked in 6 specialties.

This is a full-time position. We offer a competitive salary, and an excellent benefits package from Tampa General Hospital. The position includes weekends, evenings, and some overnight shifts. We are an AAPCC accredited center with a dedicated staff who are 100% certified. Applicant must be a physician or a licensed pharmacist, RN, PA, or ARNP. CSPI is preferred. The Florida Poison Information Center Tampa is a clinical rotation site for EM, PharmD, Pediatric residents, and medical, pharmacy and nursing students.

The Florida Poison Information Center Tampa is located near the heart of downtown Tampa. The center is close to sporting venues, art museums and Tampa International Airport. Tampa is an up and coming city with a steadily growing diverse population. We are centrally located and close to everything Florida has to offer: gorgeous beaches, amazing food, theme parks and much more.
