

NOW HIRING!

IOWA POISON CONTROL CENTER!

We're looking for a full-time nurse or pharmacist certified SPI!

- Nestled along the banks of the Missouri River, where Iowa, South Dakota, and Nebraska converge, sits the Iowa Poison Control Center (IPCC) in Sioux City, Iowa.
- We are the accredited PCC serving 3.2 million Iowans.
- Iowa is best known for its landscape of rolling plains, acres of farmland, and wholesome living. If you're looking to enjoy a slice of the good life, and a great place to call home, then this position may be just the ticket!
- The staff of the IPCC enjoy spectacular views of the Missouri River, downtown Sioux City, and our neighboring states.
- We offer an attractive benefit package through UnityPoint Health, one of the largest health systems in the country.

Must have the ability to periodically work on-site at the IPCC in Sioux City.
