

## MICHIGAN POISON & DRUG INFORMATION CENTER WAYNE STATE UNIVERSITY

# We're hiring!

## The MiPDC is looking for a SPI or Certified SPI

The Michigan Poison & Drug Information Center at Wayne State University's School of Medicine (WSU SoM) is seeking to fill evening and overnight positions for Specialists in Poison Information. SPI applicants should be a licenced RN, Pharm D, or MD. Certified SPIs are encouraged to apply as well.

Wayne State University is in the heart of Midtown Detroit. Our center at WSU SoM is part of the Department of Emergency Medicine. WSU provides a competitive benefits and fringe package, including reimbursable tuition for staff and their family members.

The MiPDC is the only accredited poison center in the state of Michigan serving the upper and lower peninsulas. We have robust community and healthcare provider outreach and education programs. Our team works with state agencies and other public service organizations on public health and safety initiatives to improve the lives of those living and working in our state. Our clinical consultants and poison center staff are involved in ongoing research and continually seek new opportunities to improve the lives of those we serve.

In Michigan there is something for everyone. Four seasons, natural and urban attractions, and endless beaches! Come join us!

To apply for this position, go to the [Wayne State Employment Portal](#).
