

Assistant Director Position Available!

Come join us in sunny Florida! The Florida/USVI Poison Information Center in Jacksonville, Florida is searching for an Assistant Director to join our wonderful team.

Our center covers the northern 42 counties of Florida, as well as the US Virgin Islands, and is home to a well-established Clinical Toxicology fellowship program. The applicant must be a licensed pharmacist and be a DABAT or board eligible.

Great benefits package! Please contact Dawn Sollee, Pharm.D. at sollee@poison.ufl.edu or 904-244-4465 for any questions.

The position listing is posted at <https://ufhealthjax.org/jobs/>, position #62297.
